## How-To Guide

---

### STEP 1: Understand the Campaign

This year, the New York Cares Coat Drive will be collecting gently used coats, as well as raising funds to support our Peer-to-Peer Coat Drive.

When someone donates \$25 they are helping keep 10 New Yorkers warm, and providing essential programs that help break the cycle of poverty.

This year, our goal is to raise \$700K so we can distribute over 50,000 warm coats to New Yorkers in need. Every donation through your fundraising page builds high-quality volunteer programs and helps New York Cares serve individuals and communities who need it most.

---

### STEP 2: Set a Goal

Go BIG and set a goal for your fundraiser at \$1,000—that equals 400 coats distributed across NYC! You can always increase your goal at any time.

**Quick Tip:** Kick start your fundraising with a personal donation! Friends and family will see your commitment and be more inclined to support your fundraising efforts.

---

### STEP 3: Tell Your Story

Your fundraising page is an opportunity to tell the story on why making an impact is meaningful to you, and why you've chosen to fundraise on behalf of New York Cares.

- Why are you passionate about providing warmth to New Yorkers?
- Do you have a personal experience that led you to New York Cares?
- Why do you love to volunteer?
- How will the funds you raise improve our communities?

## STEP 4: Pull Together Your Contact Lists

Weddings! Birthdays! Holidays! Work! High School! Think of all the different contacts you've made over your life and make a list, including their email and phone number. By breaking them up into groups, you'll have a chance to send a special custom message.

---

## STEP 5: Spread the Word

Share your fundraising campaign on your Facebook, Instagram, and LinkedIn channels, or add your fundraising link to your email signature. Be sure to send regular emails, and even send text reminders to your network. Leveraging these tools is the most effective way to meet your donation goals. Use the email templates and social media sample posts (included below) to get started.

---

## STEP 6: Say Thank You

Show your supporters appreciation by saying thank you. Tag donors on social media, send special texts, or even make gratitude phone calls. If you need help accessing your full list of donors, reach out to [James.Ciszewski@newyorkcares.org](mailto:James.Ciszewski@newyorkcares.org).

## Announcement #1: Campaign Launch

Set up your fundraising page and let your friends, family, peers, colleagues, and neighbors know that you've signed on to raise funds for the New York Cares Coat Drive.

**EMAIL SUBJECT LINE:** Will you help me keep New Yorkers warm this winter?

Hi [Name],

I wanted to reach out and share a cause I'm supporting this winter: the New York Cares Coat Drive. Our city's most vulnerable residents need us this year, more than ever, and I'm inviting you to join me in spreading a message of warmth.

I believe no one should have to skip a meal to buy a winter coat, no parent should be forced to choose between buying school supplies and staying warm, and no student should go to school without a warm coat on their back.

Every \$25 donated to Coats distributes 10 warm coats and provides essential programs that help break the cycle of poverty. Please visit my fundraising page at [insert your fundraising page URL] and help me reach my goal. You can also create a fundraising site of your own at [newyorkcares.org/coat-drive/donate](https://newyorkcares.org/coat-drive/donate), and start spreading the word.

Feel free to forward my email to anyone who might be interested in the cause. To learn more about the 37th Annual Coat Drive, visit [newyorkcares.org/coats](https://newyorkcares.org/coats).

Thank you so much for your support!

Gratefully,
