Annual
Report
2023

Dear Friends,

At New York Cares, we believe you can do more than make it in NYC—**you can make it better**. In 2023, we set out to do just that by seeking greater reach and impact, driving change through volunteer programs that align with the goals of the communities we serve.

New York Cares distributed 73,000 warm winter coats, helped 17,000 students start their school year with a new backpack filled with school supplies, granted more than 20,000 Winter Wishes, served 6.8 million meals, and brought vital resources to nearly 100,000 New Yorkers.

These numbers are a testament to the power of collective action. They represent the countless lives touched and futures brightened, all made possible by the incredible network of caring New Yorkers. Your support, whether as a corporate partner, community partner or volunteer has been instrumental in making New York the city we know we can be.

To realize even greater impact, we also made significant investments in foundational elements which will enable us to scale. We embraced uncharted territory as we rolled out our first full-brand refresh in nearly two decades, moved offices to a space designed to enhance community-building work, and built a more accessible, user-friendly website, all while staying rooted in our founding traits: empathy, passion and ambition.

Thank you for your unwavering support and dedication. Together, we are making a difference, one act of service at a time. The future has never looked so bright.

With heartfelt gratitude,

Sapreet K. Saluja

Impact in Every Borough

New York Cares is committed to creating a community that looks out for one another. In partnership with community leaders, we create opportunities for New Yorkers to make significant, transformative change in one of our nation's most diverse cities. Through strong relationships and community engagement, we address challenges across the five boroughs, ensuring meaningful service shows up wherever it's needed.

The Central Source for Service in NYC

New York Cares works year-round to ensure all New Yorkers in need have the tools to live, work, and play with dignity. While there are far too many programs to list, we've included a few highlights showcasing the breadth and depth of our collective impact.

9/11 Day

Every year, New York Cares partners with 9/11 Day to recruit and train hundreds of volunteer leaders to guide more than 5,000 volunteers on the Intrepid Museum as they pack hundreds of thousands of meals for New Yorkers in need. More than 20 years later, we are proud to support this one-of-a-kind volunteer event that turns a day of tragedy into triumph through unity and service.

Mission: Vetcheck

For many veterans, the return to civilian life is stressful. Veterans often do not have access to public services, housing and mental health resources, or employment information to smooth that transition. Through our partnership with the New York City Department of Veterans' Services, Mission: VetCheck volunteers provide vital outreach and information, ensuring New Yorkers who have served our country are heard, supported, and appreciated—one phone call at a time.

Stand with Students

Stand with Students highlights our commitment to NYC students and schools. As a yearlong campaign for our educational programming, Stand with Students sends students, schools, and families a simple message: you are not alone. From supplying backpacks brimming with supplies to fulfilling Winter Wishes during the holiday season and providing a range of educational and recreational programs throughout the school year, we work to address the underlying challenges of poverty. Our volunteer-powered programs aim to ensure that every student we meet feels supported and understood.

Winter Wishes

This heartwarming program is about more than gifts; it's about delivering a fun, exciting experience that respects the dignity and individuality of each child and teen participating. In a year when so many New Yorkers faced uncertainty, our wish granters provided immeasurable joy by fulfilling 20,311 wishes at family shelters, public housing providers, and Title 1 schools during the holiday season.

College Access

In NYC's affluent neighborhoods, up to 85% of adults have a bachelor's degree. In some lower-income areas, the percentage of individuals with a bachelor's drops to as low as 7%. Our College Access programs – Teen Education, College Prep, SAT Prep, and Financial Aid Assistance – help to close the equity education gap. In 2023, New York Cares created nearly 2,000 volunteer positions across 367 College Access projects totaling 3,780 hours spent with teens and families.

Coat Drives are a Team Sport

New York Sports ♥ Keeping NYC Warm

Every year, the New York Cares Coat Drive exemplifies the spirit of unity and compassion among New Yorkers and shines a light on our city's ability to rally around those in need. The 35th Annual New York Cares Coat Drive marked a milestone, boasting unprecedented success and community engagement. We collaborated with WE ♥ NYC and iconic institutions like the FDNY, all NY sports teams and leagues, including the NBA, MLB, NFL, and NHL, and beloved hometown teams like the NY Mets, NY Rangers and NY Islanders, NY Liberty, and New York Jets. Our partnership, in tandem with corporate and individual collections, led to the distribution of a remarkable 73,111 coats. This collaborative effort underscores the ethos of teamwork that keeps our fellow New Yorkers warm when the weather turns cold.

- ① New York Cares Executive Director Sapreet K. Saluja (far right) with Mr. and Mrs. Met to kick-off our beloved annual Coat Drive.
- ⑦ In-kind ad placements across NYC helped us generate incredible awareness to warm up New Yorkers in need.

The Power of Partnership

Coat Drives are a team effort, and we were fortunate to have big players step up to the plate. Thanks to global logistics leader **UPS**, we transported tens of thousands of coats throughout the drive and equipped collections with labels to ship more than 1,000 UPS packages. Home Depot donated more than 2,000 boxes and **Piece of Cake Moving** provided the resources for more than 25 moves as well as 2,500 large shipping boxes for coat collections. Additionally, **Vornado Realty** generously provided our large warehouse space, the **MTA** collaborated on transit hub promotion, and the **New York City Fire Department (FDNY)** ran collection sites across the five boroughs. These partnerships amplify our impact and embody the grit and compassion of New Yorkers.

“We all love New York City and together ‘WE’ can use the act of giving as a solution to uplift our neighbors and city!”

— Laura Rog, NYC Chief Service Officer

"New York Cares provided our organization, the Little Shop of Kindness, with over **1,000 coats** for asylum seekers.

The ability to put coats on their backs was key to our operation and the most needed item of clothing. Thanks so much for providing a warm coat to those most in need."

– Val Coleman, Team TLC NYC

Project FREEZE

Our annual gala showed guests the harsh, cold reality of being outside without a coat thanks to seven students from our community partner, The Brooklyn STEAM Center. These superstar students spent over 200 hours on Project FREEZE, a life size installation simulating frigid New York temperatures. During the gala, they set up a dark alleyway environment for guests, with city sounds and frigid temperatures. This experience reflected the reality of a situation that too many New Yorkers continue to face.

- Ⓜ These Brooklyn students who built Project FREEZE taught us all how cold it is without a warm winter coat.

Board of Directors

Comprising professionals from the public and private sectors, our Board of Directors is steadfast in the conviction that volunteerism is the key to crafting a more prosperous NYC for everyone. Additionally, they provide strategic direction to achieve our mission, spearhead fundraising efforts, and enhance organizational visibility.

PwC

New York Cares was honored to collaborate with longstanding partner PwC on their Headquarters' Day of Service in May. Over 200 volunteers revitalized parks, created murals for students, and assembled hygiene kits for those in need. These efforts - totaling nearly 1,000 volunteer hours in a single afternoon - significantly advanced our pillars of Education, Public Spaces, and Immediate Needs.
